INTERIORS

Only the finest materials and top of the line devices are used throughout.

Navigation displays are available with single or twin 12 – 14" displays or single wide screen multi function display.

Salon sofa with premium leather upholstery with a Diamond stitching provides comfort with an individual "All Black" interior showing owner's personal touch.

Spacious salon is both luxurious and functional with an integrated galley hidden on the port side sideboard.

FIT & FINISH

All furniture are crafted In-House and installed in place to guarantee the best fit & finish. All materials are carefully chosen to guarantee the maximum durability and lifespan.

40 SC's Lower deck is configured with an U-shaped seating / relaxing area which converts into a Queen bed.

2nd. cabin is available to be configured with twin beds or as a multi purpose space. Separate ensuite head is smartly positioned in the mid of the two cabins also offering a comfortable shower space.

EXTERIOR SPACES

The **40 SC** offers a spacious aft cockpit, which integrates seamlessly with the salon area providing one large area, while having more guests onboard.

The aft cockpit is equipped with a comfortable seating area and a large cockpit table with folding top serving alfresco dining comfortably for 6 guests. Cockpit table is available with an electrically Hi-Lo adjustable pedestals, which converts the space into a large sunbathing area by a touch of a button.

The **40 SC** is equipped with a large platform both as Inboard & Outboard versions to provide safe and easy access from dock.

The Outboard version is equipped with an aggressive forward facing design arch, which highlights the character and performance of the boat and provides safety. The arch is equipped with an integrated ski-tow pole.

ERGONOMICS

Ergonomics on each BRIZO is carefully designed to secure each instrument to be easily at hand.

Maximized window areas allows all-around visibility to secure the helmsman secure position to navigate and full control of the vessel also on higher speeds.

As on every BRIZO YACHT also the helmstation can be optimized according to the client's preferences.

INDIVIDUALITY

We welcome our clients to be a part of the building process all the way from the design to hand out of the finished product.

We design & build unique & seaworthy High End Yachts for the most demanding clients. Every Yacht is designed & build according to the client's wishes finished to the smallest detail.

Our goal is always to say
"Yes, it is possible".

- Johnny Stoor

Every Brizo Yacht is unique, custom build for the specific client by our highly skilled craftsmen to meet the highest expectations of our clients.

Our focus on quality of the final product and environmental requirements are the highest in the industry.

Brizo is a 100 % Scandinavian product. All manufacturing and assembly takes place in our Shipyard in the southern coast of Finland.

Our current line-up contains models from 30 ft day-cruisers to 110 ft Explorer Superyacht.

To meet with our client's every requirement we offer a wide selection of engines power and propulsion systems.

The level of standard equipment on every BRIZO YACHT is impressive. Our clients can customize each Yacht by choosing extra equipment and wide range or various high end materials to ensure that every BRIZO YACHT is as individual as it's owner.

We welcome you to contact us and become a part of BRIZO family to take your boating experience to the next level.
