## INTERIORS

Only the finest materials and devices are used throughout.

Salon sofa with premium leather upholstery with a Diamond stitching offers ultra comfort with an exclusive feel to the interior.

Additional armrests throughout the seating area creates additional comfort while underway.

Spacious salon is both functional and luxurious with easy access to inside-outside having sliding doors to both side decks.

## AUDIO VISUAL SYSTEMS

Audio systems are provided by BOSE or other High-End audio as per client's preference.

LED Smart TV's are available as per client's choice to be placed on each cabin, Salon & Dinette with onboard Wi-Fi system.

## GALLEY & DINETTE

Galley & dinette are smartly positioned to the lower deck's bow section. The galley is equipped with every necessary appliance when it comes to cooking appetizers or a dinner for your quests onboard.

A comfortable dinette is located next to the galley, which provides you more space when needed.

Two cabins are positioned in the middle section of the lower deck. Both cabins are equipped with beds, which are possible to convert into double beds.

## FIT & FINISH

All wood works and furniture are crafted in-house and fitted carefully in place to guarantee the best fit & finish.

All materials are carefully chosen to guarantee the maximum lifespan.

Every BRIZO YACHT is as individual as it's owner. All materials are available to be chosen individually.

## ERGONOMICS

The fully equipped helmstation has every instrument carefully planned to be easily at hand.

Twin GARMIN 16" displays are installed in optimized positions to ensure, that the helmsman has every information easily visible with full control of the vessel while underway.

As on every BRIZO YACHT also the helmstation can be optimized according to the client's preferences.

## EACH BRIZO YACHT IS INDIVIDUAL

We welcome our clients to be a part of the building process all the way from the design to hand out of the finished product.

We design & build unique & seaworthy High End Yachts for the most demanding clients. Every Yacht is designed & build according to the client's wishes finished to the smallest detail.

Our goal is always to say  
"Yes, it is possible".

- Johnny Stoor

Every Brizo Yacht is unique, custom build for the specific client by our highly skilled craftsmen to meet the highest expectations of our clients.

Our focus on quality of the final product and environmental requirements are the highest in the industry.

Brizo is a 100 % Scandinavian product. All manufacturing and assembly takes place in our Shipyard in the southern coast of Finland.

Our current line-up contains models from 30 ft day-cruisers to 110 ft Explorer Superyacht.

To meet with our client's every requirement we offer a wide selection of engines power and propulsion systems.

The level of standard equipment on every BRIZO YACHT is impressive. Our clients can customize each Yacht by choosing extra equipment and wide range or various high end materials to ensure that every BRIZO YACHT is as individual as it's owner.

We welcome you to contact us and become a part of BRIZO family to take your boating experience to the next level.
