MAIN DECK - SALON

Main deck Salon shown with galley on main deck. Alternative layout available galley / dinette placed on lower deck.

Sliding aft door provides easy entrance to aft cockpit. Optionally available side-doors to both side decks allows easy and fast access to all areas of the vessel making the space both functional and comfortable to use.

Layout of the main deck can be planned and built with the client's preferences.

Wide salon windows allows natural light to interior spaces making the space bright and comfortable.

The salon is spacious, bright and functional, which makes it comfortable to use. The fully equipped galley is conveniently placed next to the dining table, which serves comfortably 6 guests.

SALON - GALLEY & DINETTE

Galley & dinette can be placed either on main or lower deck pending on client's choice. Here galley shown on the main deck next to a generous salon dining area. ecessary appliance when it comes to cooking appetizers or a dinner for your guests onboard.

AFT COCPIT ↓

Smartly integrated (OPT) & fully fitted wetbar placed on the aft cockpit conveniently next to the entrance and aft dining table, which seats comfortably up to 8 guests.

FIT & FINISH

Only the finest materials and parts are used throughout. All cabinetry and table tops are massive wood by choice and are fitted in place with care and precision to ensure easy and comfortable use.

We offer wide selection of premium quality textures to match the final product to the client's criteria's.

All materials used are carefully chosen to guarantee the maximum durability and lifespan.

All wood works and furniture are crafted in-house and fitted precisely in place to guarantee the best fit & finish.

Each BRIZO YACHT is as individual as it's owner. All materials are available to be chosen individually.

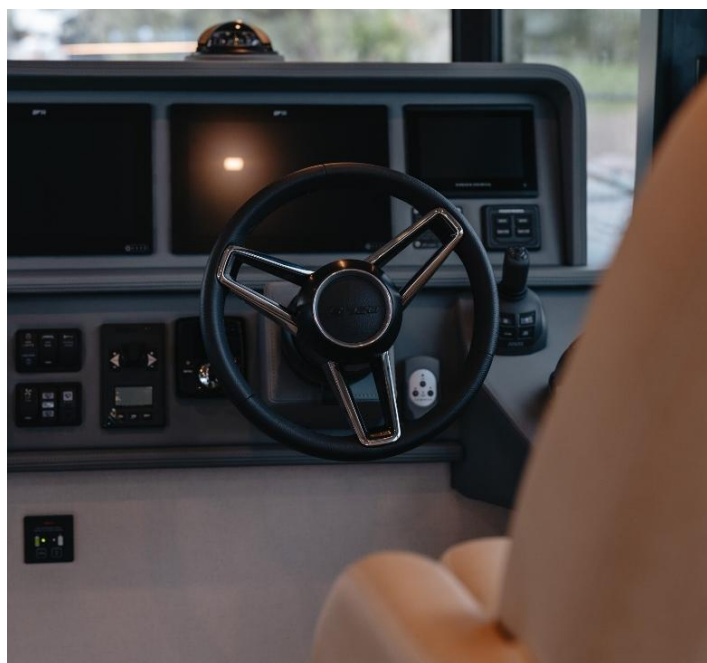

ERGONOMICS

The fully equipped helmstation has every instrument carefully placed to be easily at hand.

Twin GARMIN 16" displays are installed in optimized positions to ensure, that the helmsman has every information easily visible with full control of the vessel while underway.

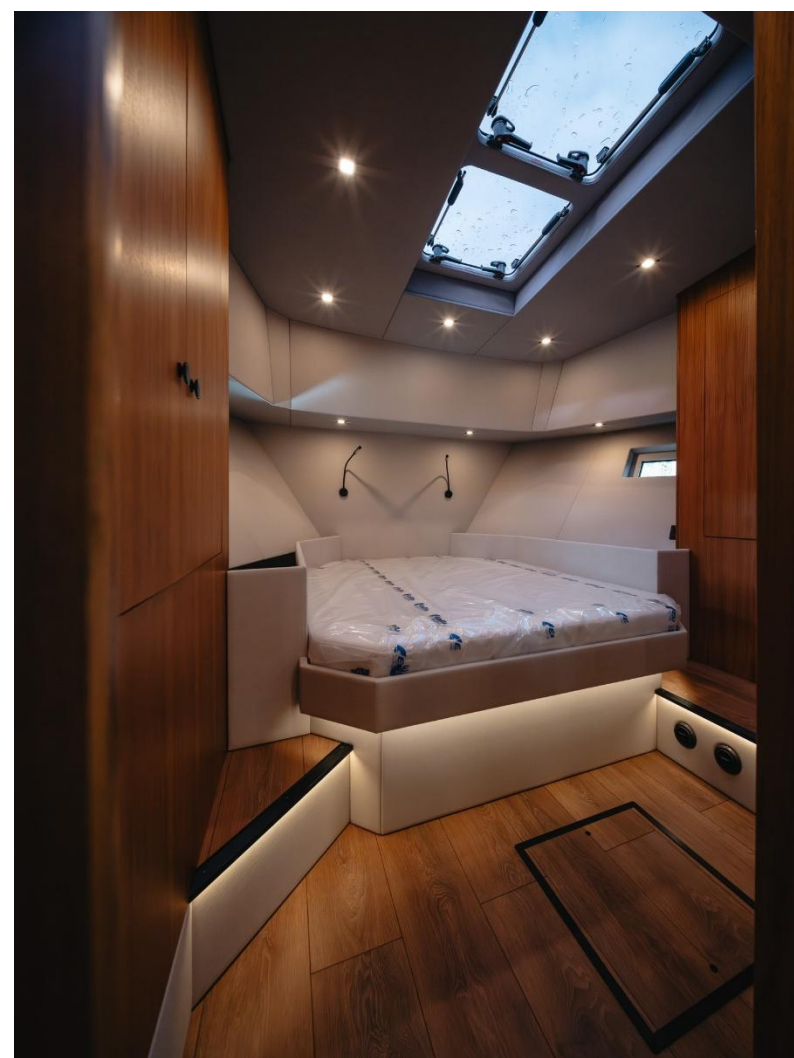

As on every BRIZO YACHT also the helmstation can be equipped and optimized according to the client's preferences.

ACCOMMODATIONS

The BRIZO BY50 Classic is equipped with two cabins and two heads as standard. Size of the cabins, layout and positioning can be adjusted to meet the client's preferences.

CABINS / LAYOUT

Master cabin shown here when placed in bow.

Full beam Owner's cabin with ensuite head available to be placed at the mid section of the boat.

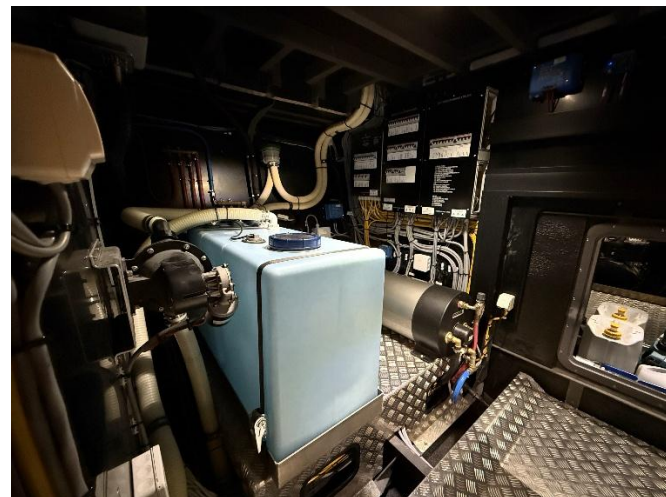

TECHNICAL SPACES

Every inch, every detail has been carefully planned out and executed to the smallest detail.

All technical spaces are finished to the highest standard with easy access for service.

Wirings are coded for easy maintenance and retrofittings.

ENGINES / PROPULSION

BRIZO BY50 Classic is available with various Volvo Penta engine options combined either with IPS or JET drive propulsion system.

Volvo Penta IPS propulsion comes standard with Joystick control. Optional skyhook and camera system allows easy and secure maneuvering.

Other engine options and propulsion systems available on request.

EACH BRIZO YACHT IS INDIVIDUAL

We welcome our clients to be a part of the building process all the way from the design to hand out of the finished product.

We design & build unique & seaworthy High End Yachts for the most demanding clients. Every Yacht is designed & build according to the client's wishes finished to the smallest detail.

Our goal is always to say
"Yes, it is possible".

- *Johnny Stoor*

Every Brizo Yacht is unique, custom build for the specific client by our highly skilled craftsmen to meet the highest expectations of our clients.

Our focus on quality of the final product and environmental requirements are the highest in the industry.

Brizo is a 100 % Scandinavian product. All manufacturing and assembly takes place in our Shipyard in the southern coast of Finland.

Our current line-up contains models from 30 ft day-cruisers to 110 ft Explorer Superyacht.

To meet with our client's every requirement we offer a wide selection of engines power and propulsion systems.

The level of standard equipment on every BRIZO YACHT is impressive. Our clients can customize each Yacht by choosing extra equipment and wide range or various high end materials to ensure that every BRIZO YACHT is as individual as it's owner.

We welcome you to contact us and become a part of BRIZO family to take your boating experience to the next level.
